

Brits 'n' US and SAS Agree to Merge

At the Brits 'n' US club's Extraordinary General Meeting (EGM) on January 19th the proposed merger with the Scottish American Society was approved unopposed . At the AGM immediately afterwards, officers for the combined club were elected, also unopposed, and will take office on April 1st. Here are the minutes of both meetings:

The email addresses of *current SAS members who are **not** already* in the BritsnUS database will become BritnsUS registered users within the next few weeks and will start receiving BritsnUS emails directly. On April 1st, their status will be updated to member for the remainder of the year.

The club is exploring options to move our monthly events to a larger space, possibly a banquet room in one of the regional rec centers.
