

BritsnUS Club Set To Continue!

We are excited to announce that over the last couple of weeks several more members have volunteered for 2023 board positions and we are now confident that we will be able to cover the remaining slots. With continuity now assured, there was no need for a “motion to dissolve” at the Extraordinary General Meeting (EGM) on June 26, 2022 and , after delivering a very positive “state of the club” message, the current president was delighted to introduce the volunteers for next year:

- Mark Hatcher - President
- LuAnn Schafer - Secretary
- Marty McKay - Treasurer
- Suzanne Brown - Membership
- Liza Hatcher - Events
- Fiona Blainey - Publicity
- Buck Buchanan - Scottish Liaison

We thank you all for stepping forward!
