

Robert Burns Supper pictures - Jan 25th, 2020

The Brits 'N' US Club's Burns' Supper was attended by 121 guests who experienced a wonderful evening of History, Drama, Pageantry, Camaraderie, and Fun. The evening started with a parade of the Clan banners; followed by the entrance and parade of the Haggis.

The Robert Burns' "Ode to the Haggis" was recited as it was prepared for serving, and most everyone in attendance had a taste along with the neeps and tatties. It was rather good...even better with a wee bit of whisky poured on top. At the end of dinner there were a few toasts starting with a toast to the Immortal Memory of Robert Burns. And because Burns was very much a ladies man, there was a light hearted toast to the Lassies, followed by a response by a lady and a toast to the Laddies. The evening included entertainment from the Sounds of Scotland Pipe Band and the Celtic Village Show Band. The evening closed with everyone singing Auld Lang Syne.
