

November 2020 Update

We are pleased to announce a **new, outdoor event for December 14th**, to take the place of the Holiday Party that was originally scheduled for that date. We're calling this the "**Holiday Hunt**" and it should be a lot of fun for everyone. Compete and win! Because of the continuing pandemic situation, we are offering a variety of ways to participate according to individual comfort levels. There is even a free "virtual" entrance category for folks who can't get to The Villages at this time. Tickets/signup will be available within a few days (email announcement to follow). See below for details.

Because the November "Polo Picnic" event was canceled, **we are extending active memberships by another month** to compensate. Note that after your subscription has been updated *you may find that your password is not accepted* the next time you log in and you will need to use the "*Forgot password*" link to reset it. We apologize for the inconvenience.
