

October 2020 Update

Another month and, regretfully, another cancellation. As the board continues to wrestle with the challenges posed by the pandemic, we are balancing our desire to resume club activities against potential risks to our members. Recent fluctuations in key indicators make it hard to anticipate the right course of action even a few weeks ahead, so we ask for your patience and understanding. Meanwhile, we continue to plan a full calendar for next year so that the club can rebound in style as soon as circumstance allow.

Even though we haven't seen most of you for a while, we love hearing from you so do drop us a line and let us know how you are getting along. We wish you all the best.
