

# A Letter from the Brits 'n' US President

Sent: July 12, 2021

Dear Member,

Greetings and welcome back! We all endured and thankfully survived an unexpected year in 2020. 2021 is already well on the road to normal. We are looking forward to great times and fun gatherings of our club for the rest of the year.

The pandemic prevented us from holding our Annual General Meeting in January to elect Executive Committee Officers. Current Executive Committee (EC) Officers graciously agreed to extend their time in office until the next election.

We plan on holding elections in January 2022 and, as always, all positions will be up for election. We invite you to consider taking on a rewarding role within the club.

On the attachment to this letter there are descriptions of all the positions. I encourage you to chat with the board member currently holding any position that interests you to find out what it entails. As the planning for next year is in progress, I would encourage those interested in joining the board to visit a couple of meetings this year. Contact me if you wish to attend. In the meantime, we urgently need a Treasurer and Publicity Director who would like to start now and continue through next year (if re-elected). Bob and Patty have filled these two positions most of this year and I would like to give them a break. Please contact me if you would consider stepping up now.

I, like some others, have been on the Committee since the club's start and I can assure you that it has been a very enjoyable and fun experience and never a burden. To maintain the variety and vitality of the club we need new people with new ideas please give board participation serious consideration.

**The most successful clubs benefit from a healthy turnover of active committee members**

Regards,

Tony Murray  
President
